

## NOTES FOR CONTRIBUTORS

*The Grove. Working Papers on English Studies* is a peer reviewed, MLA indexed periodical. Published annually and distributed both nationally and internationally, *The Grove* is sponsored by the **research group HUM. 271** of the Regional Andalusian Government and is published by the University of Jaén (Spain).

The major scope of *The Grove* is literatures in English, critical theory, English language and linguistics, translation, English as a foreign language and cultural studies.

The Editor kindly invites submissions in **English** or **Spanish** of original unpublished articles and book reviews within the domain of the above topics, as well as unpublished poems or short literary contributions.

Articles and book reviews for publication should be submitted through the website of the journal: <http://revistaselectronicas.ujaen.es/index.php/grove>

**Contributions should be unpublished and not considered for publication elsewhere.**

### Reviewing process

The submitted papers will be considered for publication if they receive favourable reports from specialists in the author's research field. At least two anonymous referees will evaluate the unsigned manuscripts submitted for publication to *The Grove*.

### Selection of contributions

Given that *The Grove* receives more submissions (articles, reviews and fiction/poetry) than it can publish, our peer-reviewers are asked to consider the quality and originality of each paper accepted for publication. In general terms, to be acceptable a paper must deal with one of the fields of study covered by our journal, be original, provide substantial evidence for its conclusions, and prove relevant for the specific field. Additionally, we will be looking for methodological rigour, theoretical consistency and innovation, stylistic merit, and academic seriousness. Typically, an unsolicited paper will be sent to two peer-reviewers and may be approved, rejected, or approved with modifications, in which case detailed reports will be sent to the author(s); the paper will be evaluated again unless the editors consider the modification of minor importance. Author(s) will be requested to include title, abstract and keywords in Spanish and English. The final publication of the papers and the section where they will appear will be determined by the editorial board.

## PUBLICATION GUIDELINES FOR CONTRIBUTORS

The suggested length of articles is **5000 to 6000** words and book reviews from **2000 to 2500**. All articles should be accompanied by a **100–150 word abstract** and by the title of the work both in English and in Spanish. Below the abstract authors should include six keywords also in the two languages. Manuscripts should be sent in Word format to <http://revistaselectronicas.ujaen.es/index.php/grove> in a separate attachment. All details of the author—title of the text, name of author, institution, academic / professional post, telephone numbers, postal and email address, as well as a brief résumé in English of 50 words maximum—should be included in a separate attachment as a cover sheet, never in the manuscript itself. The author should never write in first person in the text or notes if these references help to identify the author. Submissions should be prepared according to the *MLA Style Manual and Guide to Scholarly Publishing* (latest edition) throughout.

After a positive evaluation, manuscripts not conforming to the guidelines provided will be returned to the authors for further revision.

### Citations

Double quotation marks should be used for text quotations, while single quotes should emphasise a word or phrase or highlight its figurative meaning. Only foreign words and titles of monographs may appear in italics. If exceeding four lines, block quotes should be separated from the main text and the whole quotation indented **1,4 cm** (0,5") on its left margin.

References should include the page numbers or, if the author is not mentioned earlier in the paragraph, the surname(s) of the author(s) plus the page numbers. Examples:

References embedded within the main text (four lines maximum):

In his work, “Fiedler focused on Shakespeare only, and he included women and ‘Indians’ ...”, while in my analysis I will include a wider corpus of early modern English texts (10) or (López-Peláez 10).\*

\*If more than one work by the same author is included in the bibliography, the citation should include the first word(s) of the title of the book/article: (*Strangers* 10) or (López-Peláez, *Strangers* 10).

Block quotes (five or more lines):

... the Spanish monarchs Isabel and Fernando were simultaneously campaigning to defeat the last Iberian stronghold of Islam, the kingdom of Granada. The year they succeeded, 1492, was also the year in which they obliged Spain’s remaining Jews to convert to Christianity or emigrate. Ten years later Muslims were given the same choice. After

another century of tensions Philip III moved to expel all Moriscos in 1609. (Burns 188–89)

If part of the original text is omitted, three dots without brackets should be included.

- Long dashes should be used for additional comments, and the spaces between dash and comment should be removed.
- Footnotes numbers must be included after punctuation marks.
